

# Resuming Communion at CCRP

**Christ Church intends to begin in person Holy Eucharist, in an organized, careful, safe, and modified format on June 28th.** This date is contingent on COVID-19 infection rates. If there is an uptick in infection rates, the date may be pushed back for the safety of our parish.

**Morning Prayer will continue** digitally, by phone-in and streaming video on Sundays at 9am. This will be where we sing together, while apart. We encourage you to continue to use this as the heart of worship together at CCRP.

In person, by reservation **Holy Eucharist services will take place on Sundays at 10am and Tuesdays at 7pm** and are limited to 20 persons at a service.

**Christ Church will be taking reservations for 8 services (4 weeks),** intending to begin June 28th and reserving up until July 21st.

This will be rather like how you reserve a table at a restaurant. For example, if you are an individual, you reserve one spot. If you are coming with your partner (or housemate or spouse) and 2 children, you reserve 4 spots. Household groups will sit together, solo guests can share a pew appropriately.

To make a reservation we have an **online form** which you can access to choose your date and number of spots for worship.

## Continued: Key Points about Reestablishing Holy Eucharist at CCRP

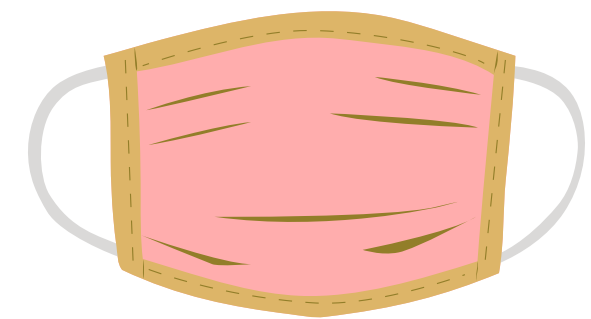

If your physician, loved ones, or you, are not comfortable with gathering in person, **please attend to your health and needs first.**

Reverend Jane will be making personal visits to these residents to meet safely on a porch or in the yard to offer you the sacrament of communion.

**Only use** the red doors (enter to the rear of the nave) or the green doors (near handicap parking). Each of these doors will have **handwashing stations** outside.

**Masks must be worn** at all times, except for toddlers, and when consuming Eucharist. There will be masks available for those who do not have one.

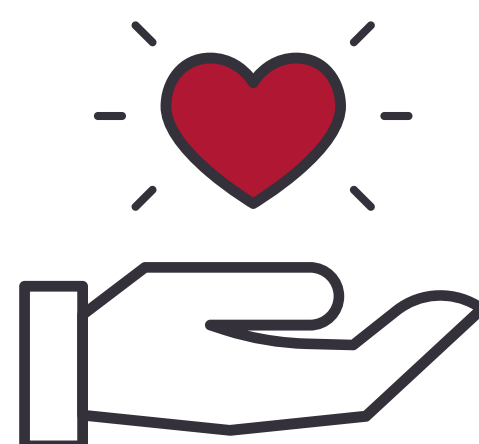

Each person must sign in for **contact tracing**. These records will be kept safely and destroyed when no longer needed.

**Physical distancing** is important, standing, sitting, walking. **Services will be condensed** to keep our time with one another meaningful but limited.

**We miss you and love you and see how you follow Jesus by continuing to be the church in action.** We thank you for your flexibility and cooperation as we navigate modified worship in person.
