

Resuming In-Person Communion at CCRP

Christ Church intends to begin in person Holy Eucharist, in an organized, careful, safe, and modified format beginning Palm Sunday. Moving forward in-person is contingent on COVID-19 infection rates and community safety.

Morning Prayer will continue digitally, by phone-in and on Zoom, Sundays at 9am. Meeting ID: 946 4514 7258, Phone: 646 558 8656

In person, by reservation **Holy Eucharist services will take place on Sundays at 10am** and are limited to 20 persons at a service. We ask that our no-internet friends have priority in reservations.

Christ Church will be taking reservations for in-person Holy Week services on March 22nd. Just like our previous in-person services, online reservation sign-ups will resume. If you are an individual, you reserve one spot. If you are coming with your partner, housemate, or family, you reserve a spot for each person. Household groups will sit together, solo guests can share a pew appropriately.

To make a reservation we have an **online form** which you can access to choose your date and number of spots for worship. This form will be available in our parish-wide email. Households that are "low-tech" will be called first when new dates are added to the online reservation form. If needed you can also call us (610-521-1626) to make you reservation over the phone.

Reminders

9am Morning Prayer can be joined by any web-browsing device (computer, tablet, iPad, laptop, smartphone) or joined by calling on a mobile or landline phone.

10am Holy Eucharist will be livestreamed to our YouTube channel, CCRP Learning & Info and is also available to join by phone. Call (712)-770-4908 and when prompted for the code press, 852996#

Continued: Key Points about Reestablishing Holy Eucharist at CCRP

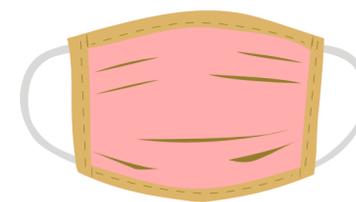

If your physician, loved ones, or you, are not comfortable with gathering in-person, **please attend to your health and needs first.**

Post-Eucharist livestream communion distribution will continue to take place at the rear red doors of the nave outdoors. From 11-11:30am come masked and socially distanced to receive.

Only use the green doors (near handicap parking up the private drive) as the in-person service entrance. These doors will have **handwashing stations** and our check-in.

Masks must be worn at all times, except for toddlers, and when consuming Eucharist. Masks must remain over both nose and mouth to be effective in keeping each other safe.

Each person must sign in for **contact tracing**. These records will be kept safely and destroyed when no longer needed.

Physical distancing is important, standing, sitting, walking. Please keep distanced in pews and adhere to the markers. Restrooms are currently 1 person at a time with the exception of caregivers and children.

We miss you and love you and see how you follow Jesus by continuing to be the church in action. We thank you for your flexibility and cooperation as we navigate resuming modified worship in-person.
